GHS Training Classes

GHS within OSHA or GHS within WHMIS: What's Changed? 1-Day Training

If you have been working with the OSHA Hazard Communication Standard or the WHMIS Standard or already have a hazard communication safety program already set up and want to know what has changed, this is the course for you.

This 1-day class will review the old standard and highlight the changes to the new standard. When you leave the class you will know exactly what to change at your place of business.

Topics Covered

- Review History of the Standard and Why it is Changing
- Existing Hazard Communication Standard
- Changes to Standard
- GHS Hazard Classification System
- Labeling: Supplier and Workplace
- Safety Data Sheets
- Training: Revising Your Program and Communicating the Changes
- Your GHS Transition Plan
- Preparing Now, Best Practices

Participants will receive relevant handouts, charts, a copy of our General Awareness Booklet, a copy of the regulations.

Public, In-person Training Class: 8:30am – 4:30pm
