

ICC Compliance Center Acquires Regulatory Company iHazmat

ICC The Compliance Center Inc. has acquired iHazmat Regulatory Ltd., a multiservice dangerous goods regulatory company located in Burnaby, British Columbia that offers training, SDS authoring, repacking services, and other compliance products, as of June 7th, 2021. Both companies are excited for the acquisition, which will offer a broader range of quality regulatory services and products to a greater number of customers.

“We are very pleased to have this opportunity to come together under one company and one system as a next logical evolution in order to serve everyone better,” stated John Munro, Vice President and General Manager of ICC Compliance Center.

Through this acquisition, iHazmat Ltd. will become iHazmat, A Division of ICC Compliance Center. Clients of iHazmat will have access to an increased range of comprehensive courses, classes, and material to choose from. They will also have access to a wider range of high-quality products including labels, placards, and dangerous goods packaging that ICC Compliance Center has become well-known for industry wide.

“We are thrilled to be acquired by ICC Compliance Center. They are industry leaders in the transportation of dangerous goods and we are happy to know our customers will be in good hands,” said Mark Tadros, General Manager of iHazmat.
